Thank you for choosing Sail and Power Charters for your hen party celebration. We look forward to providing you with an unforgettable experience on the water.

We have a few trade secrets (some not so secret), that we want to share with you here, so you can start planning, and get ready to party onboard with Sail & Power.

We cannot wait to hear more about your plans and turn them into a reality!

Wishing you a happy Hen-do!

Your Charter team,

Sail and Power

*Before we put on our sashes/hats/boas and matching outfits...
a few things to remember:*

NOT ALL BOATS ARE EQUAL

When planning the party of all parties, you need to consider the size of your group. Our boats can comfortably cater for group sizes of 14, or if you really want to make an impact, you can look at rafting two boats together, and invite your 28 guests to be part of your day! The more guests, the more co-ordination will be required, but don't worry we can assist with transfers, meeting points, preparing a timetable and more. All so the bride-to-be can just concentrate on enjoying herself!

WHAT IS YOUR STYLE OUT AT SEA?

We have a number of boats in our fleet, and each of them are quite different. Did you want to make a statement on our Sunseeker at speed? Lounge out on our Catamaran Lagoon 380 or is it a more subtle splash you would like to make on our Powerboat? Or a mix of some of them? Have a chat with Maria about your requirements and we will match your style to your perfect boat.

DRESS TO IMPRESS, THIS INCLUDES THE BOAT OF COURSE!

You spend so much time on the accessories, don't forget the boat as well! Come onboard 1 hour before and prepare the boat for your party! We are talking balloons, bunting, boas, a Bluetooth karaoke microphone, let your imagination run wild. Just remember, no naked flames please

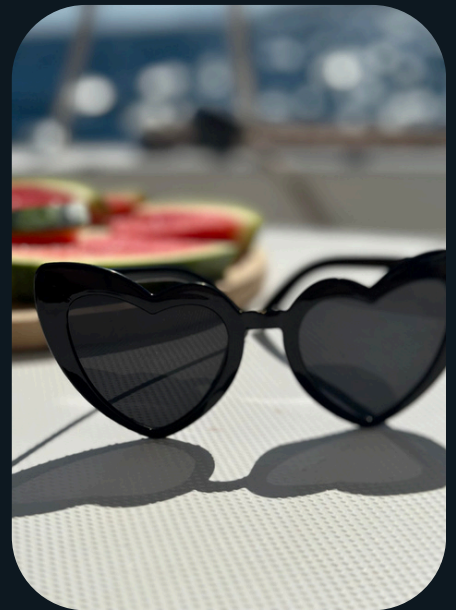

WHAT IS YOUR WISH LIST?

No doubt the WhatsApp group for your hen party is already full of ideas for this day, and we can turn so many of them into a reality! Tell our Sail & Power regular DJ what gets your groove on, and we will make a playlist to suit you hens! You need to soak up the cava whilst onboard, so take advantage of our catering packages, again tell us what you fancy and we will do what we can to make it happen. Don't forget about our water toys, including Jet Skis, what an entrance for the bride to be...

FACILITIES ONBOARD

From a practical point of view, just note that our Sunseeker and Catamaran have toilets and cabins onboard. There are also kitchen facilities. It is wise to bring your own towels, sunscreen, and we ask that no high heels are worn onboard (who can really dance in those anyway...). Please let the skipper and Maria know of any medical conditions before we set out so we can tell who has been enjoying the white wine spritzers and who might need some attention

GET CHEEKY 😊

If you think the bride will enjoy the surprise, we can organise "grown-up" entertainment. Or if you want a good talking point, and another photo opportunity, try these wine glass buddies [here](#)

IT CAN TAKE A VILLAGE TO ORGANISE A HEN PARTY!

Don't leave the organising and arrangements to one person, ensure you get a mix of personalities, shared memories, and input into the day so not only is it a well-rounded event, but the workload can be shared too. We recommend www.free-rsvp.com as this is a fantastic, free tool for digital invitations.

PHOTO OPPORTUNITIES

Of course, there will be so many chances for photo opportunities, and because of our experience with working with hen parties, we can engineer them for you as well. For instance, a great photo opp' is the bride at the helm driving the boat...of course wearing her Bride Hat at the same time. Unforgettable memories are what we want to make!

WHEN BACK ON LAND, DON'T LET THE PARTY STOP!

Why should the party stop when you get off the boat? Estepona port has a wealth of bars and restaurants for you to choose from, that will suit all types of diets, and budgets. There are cocktail bars, Spanish tapas tours, wine tasting, or of course just chilling on the beach. We have plenty of recommendations, and as we get to know you through the booking process, we will have lots of ideas for you!

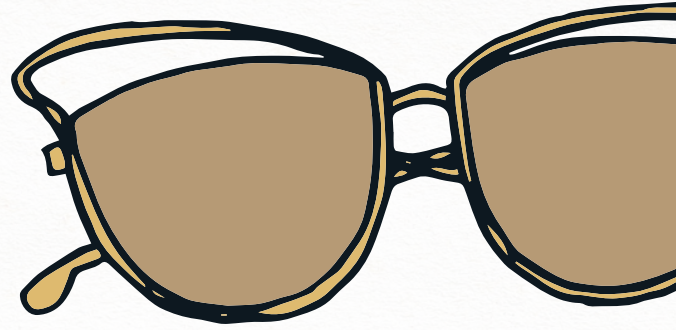

LAST BUT NOT LEAST

Talk to the experts. If in doubt, Maria will sort it out. We are only a call, email or WhatsApp away

And don't forget to have fun!
